

Montana Fish, Wildlife & Parks 2020 CWD Surveillance Hunter Test Results

Instructions

- Look up your CWD ID number listed on the business card or yellow tag you received at a check station, regional office, or the CWD number you received by email:

- If tested, you will see “**Not Detected**”, “**Suspect**”, or “**Positive**” listed in the Result column. If we are still awaiting results, it will say “**Pending**.” If the sample submitted was not a retropharyngeal lymph node or obex, it will say “**Not Testable**.” Please allow up to a week for your ID to be listed in the spreadsheet, and up to 3 weeks for final results to be posted.

If you have any questions, please contact your regional FWP office.

*** Results will be posted here after they are received.**
